

Earth Day Word Search

Can you find all of the Earth Day words? Look in the box of letters for each word from the list. When you find a word, circle it and cross it off the list. Good Luck!

Earth Day Word Search

Make one copy of the word search for each student. Ask students to find each word from the list in the box of letters. When they find a word they should circle it and cross it off of the list. If you want, hold a contest to see who can finish the word search correctly in the fastest time.
